The Retreat at Greenbrier, a wonderful community to live in

Results of Social Committee 2022 Questionnaire

Thank you to all the residents who answered our questionnaire asking what you would like to see in the Retreat for social activities and events. We sent a questionnaire to all residents with an email in the system. It would have been nice to hear

The following suggestions were sent to us:

- Chess
- Trivia Night
- Walking Group
- Hors d'oeuvre or dessert party with recipe exchange

from more residents, but only 10 responded with suggestions. Those suggestions are listed in the next column. If you would be interested in leading one of these activities/events, please email, fayeelaine.haddaway@gmail.com

The Social Committee will make every effort to expand our current events and with the community's help and support incorporate new events. If you have any ideas other than what is listed, please let the Social Committee know. We will be happy to work with you and bring something new, fun and exciting to the Retreat in the future.
